

# TO EVERY CREATURE

AMAZING FACTS  
INTERNATIONAL

2024 ANNUAL REPORT

# OUR GREAT COMMISSION

**HOW LONG WOULD IT TAKE** you to count aloud to one billion? It partly depends on how much time you spend vocalizing each number. If you took one second per number, it would take over 30 years. But, of course, large numbers take longer to pronounce. Thus, some estimate it would take nearly 100 years to count to one billion out loud.

The world's population is now over eight billion. That means it would take around 240 years to count every person, one second at a time. So it boggles the mind when we read Jesus' commission to "preach the gospel to every creature" in the world! How could it be possible—especially when you consider that about 200,000 new people are added to the population daily?

From a human standpoint, it cannot be done. That's why we need to remember that we can accomplish this precious work only as we cooperate with divine agencies. "With men this is impossible, but with God all things are possible" (Matthew 19:26).

In 2024, you joined hands with Amazing Facts and heavenly angels in sharing God's last-day truth with the world. Your compassionate gifts sent messages of light and life to people in every country on Earth through TV, radio, satellite, social media, print, and boots on the ground. Because of your commitment to changing lives through Bible truth, God has abundantly blessed!

That's why, as you read this annual praise report showing how your loving gifts are reaching "every nation, tribe, tongue, and people" (Revelation 14:6), I know you'll be inspired to keep following Jesus' command. When we join forces with heaven, what might normally take years can happen quickly, for all things are possible through the power of our heavenly Father.

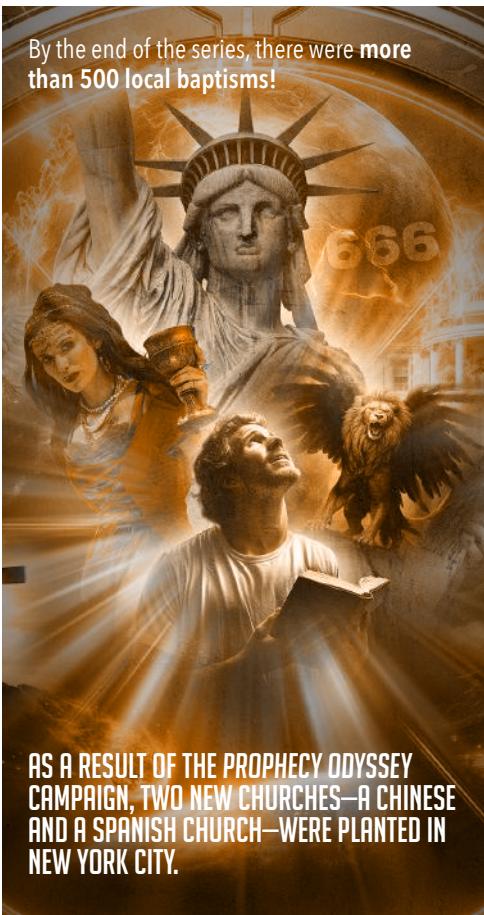

Thank you for caring about every person in our world!

**YOU ARE TAKING THE GOSPEL TO EVERY CREATURE THROUGH THE TRAINING OF DISCIPLES ...**

**In 2024**, your gifts helped train 27 AFCOE students at the W.O.R.D. Center to be Christ's disciples. You also strengthened the faith of Bible workers and equipped them through 18 AFCOE to Go programs worldwide, including in Costa Rica, Jamaica, Australia, Brazil, Sweden, Panama, and Bolivia.

Your loving gifts for AFCOE in the Philippines equipped a team of **more than 20 missionaries** to conduct groundwork for an evangelistic meeting. They **trained members** on doing health events, **went door to door to pray** with the community, **provided food** for the hungry, offered **free Bible studies**, and handed out invitations to **nightly evangelistic meetings**. On the first evening of the series, about **500 people attended**. Throughout the meetings, hundreds continued to come each night. By God's grace, a flood of people responded and came forward at the altar call given on the last night. Since then, **over 300 people have committed their lives to Christ through baptism!**

*"As I watched precious souls with whom I worked go down into the watery grave of baptism and come up with smiles, all I could think about was heaven rejoicing. I have never done an evangelistic meeting before. I have learned what God can do if we have a willing heart to serve Him."*
