# PERFECT PEACE

**FROM PASTOR DOUG  
DEAR FRIEND,**

In our increasingly agitated world, people are desperately seeking the peace that only Jesus can provide. That's why I'm so grateful for the way you prayed, gave, and cared—ministering to distressed hearts with His “perfect peace” (Isaiah 26:3). Thank you!

You've done so much to bring peace and truth to precious souls like Matthew, whose inspiring story I'm happy to share in these pages. And may you be blessed as you read about the countless lives around the world that you've helped change for eternity through your compassionate gifts!

May God richly bless you,

*Pastor Doug*

Doug Batchelor, President  
Amazing Facts International

One of three children, Matthew was raised in the beautiful Maryland countryside. "My grandmother and mother were both nurses and strong in the Christian faith," he shares.

Growing up, Matthew attended Sunday-keeping churches. But one day, while watching TV, a program caught his attention.

"I found out that the Ten Commandments my church observed had been changed from the original," he explains. Shocked he'd never heard this before, Matthew wondered what else might have been changed.

And thanks to *your* loving gifts, he found the Bible truth he was longing for.

## INSPIRED TO STUDY

Searching for truth, Matthew soon found an Amazing Facts TV program on the History Channel—a program you helped put on the air just when he needed it.

As Pastor Doug Batchelor taught the Word of God, Matthew felt the Spirit move on his heart. After completing two Amazing Facts Bible study courses online, he was baptized into Christ at a local Sabbath-keeping church.

**“I FOUND OUT  
THAT THE TEN  
COMMANDMENTS  
MY CHURCH  
OBSERVED HAD  
BEEN CHANGED  
FROM THE  
ORIGINAL.”**

But soon after his baptism, Matthew’s faith was severely tested ...

### **THROUGH THE VALLEY**

Matthew’s mother, who had contracted COVID over the Christmas season, was dying and needed hospice care that he and his sister would provide until the end.

One night, Matthew knew his mother was failing; she was on morphine and unresponsive. He and his sister were exhausted.

When he heard his sister moving about downstairs in the early morning hours, Matthew got up to go help. “To my horror, with the oxygen machine still running, my mother was making the most distressing sounds I’d ever heard.” It was a condition of the dying known as the death rattle.

Panicking, Matthew told his sister that Amazing Facts was coming on television and he needed to watch it to calm himself down.

## PEACE AND STRENGTH

Pastor Doug's sermon that day was on the power of the Holy Spirit. Afterward, Matthew got on his knees. "I prayed that my mom would not suffer long and that I would receive peace and strength to deal with this difficult time."

God answered his prayer. "I stopped crying," Matthew shares. "Instead, I was singing and praising God even as Mom took her last breath." The peace he was given that day is still with him.

Matthew is grateful for you and Amazing Facts' other co-laboring friends. He says, "I am so thankful for all they do, changing lives and winning souls for Jesus."

Thank you for helping so many who are searching for truth and the peace that endures!

**"I STOPPED CRYING," HE SHARES. "INSTEAD, I WAS SINGING AND PRAISING GOD EVEN AS MOM TOOK HER LAST BREATH."**
